Le Sol Grand 2"x8" and 4"x8" Mixed Install

Le Sol Grand 2"x8" and 4"x8" Mixed Install

1. Purchase two 84 piece boxes of 2"x8" planks, and ten 42 piece boxes of 4"x8" rectangles, for a total of 588 pieces.
2. Using the alternating grout joint size of 1" and 1/2" shown below, the 588 pieces will create 42 of the 14 piece layouts shown below, and cover a total of 133 sqft.
3. Note that the arrangement shown below can be mirrored or flipped top to bottom in order to create a random look within your layout.
Note: we highly recommend your contractor do a test board for you prior to install so you can review and approve the layout.
