

# OUTER **clé**

Welcome to your preview of OUTERclé! You're getting a first look at our new universe of tile, materials, and sculptural elements—all designed for the outdoors.

As part of this group you'll also receive the following professional courtesy benefits during the introduction of OUTERclé.

These benefits only apply during this preview period, which will end on March 15, 2024.

Once this introductory period is over, we'll be transitioning to a broader OUTERclé partnership program with different terms, conditions, and requirements—please [sign up for our mailing list](#) to be notified when that program launches.

## FREE SAMPLES

Receive free samples with free standard ground shipping for those samples during this period. Simply log into the website and add your desired samples to your shopping cart (no code necessary) or reach out to your clé representative.

We're excited to have you as part of this preview launch. Enjoy exploring [OUTERclé](#) and let us know what you think.

## DISCOUNT ON ORDERS

You will receive a discount of 10% off the retail prices listed on the website by placing your order through your clé representative. (You may, of course, order tile online but will not receive the discount.) Please note: this excludes all tile and materials under our [OUTERclé Classics curation](#).

Questions? Please email [concierge@outercle.com](mailto:concierge@outercle.com) or contact your representative. Thank you!
